

ACCREDITATION BY TESTING

Prepare your application and supporting documentation.

Lodge your application via post or in person.

Your payment will be processed and you will be notified of your unique NAATI number within 2 weeks.

We will then contact you via email or phone to schedule the date, time and location of your test.

You will then sit your test within 12 weeks of payment.

Your test materials are then sent to our examiner panels for marking. This can take up to 10 weeks or more.

We will then post your test results to you. If you passed, congratulations!

If you have failed;

- you can apply to view your marked translation test;
- you can apply to have your mark re-marked;
- you can be invited to sit a supplementary test;
- or you can reapply to sit a new test once you've received your result.
